

Where to stay

Exclusively Housewares and Exclusively Electrical have teamed up with LondonTown.com to create our very own Exclusively HotelMap. This is a great way of finding hotels close to the Business Design Centre, comparing rates and making quick and easy bookings. Just go to either of the show websites www.exclusivelyhousewares.co.uk or www.exclusivelyelectrical.co.uk and choose the 'Accommodation' link under the Visiting tab on the show website index.

Please note you don't have to book online, you can book by phone by +44 20 7292 2320. Important: When booking by phone please quote special offer code M897X for Exclusively Housewares or MKY27 for Exclusively Electrical.

HotelMap guarantees you the lowest rate, your bill is settled directly with the hotel when you leave, and you'll receive a nice little package of extras from LondonTown.com if you use them - so do give them a go! Remember early bookers get the best choice and the best rates.

You'll also see some 'Other Ideas' for accommodation, which are hotels not covered by HotelMap, but close to the Business Design Centre.

How to get here

The stylish Business Design Centre is located in Islington, one of London's most vibrant and dynamic areas in the heart of the capital. The venue is just a few minutes walk from the Angel underground station on the Northern Line, which in turn is only 5 minutes from Euston and Kings Cross main line stations. The West End is 15 minutes away, and the City 5 minutes.

Although we recommend you travel to the Exclusively shows wherever possible by public transport, there are 200 spaces in the car park alongside the Business Design Centre and limited additional capacity in the area.

Show essentials

- Date:** 13 and 14 June 2017

13-14 June 2017 Business Design Centre, London

Join us in June to meet the very best brands in housewares, tableware and small appliances

We're delighted that, for the third year running, the continuing support of the housewares industry's key suppliers and brands allows us to stage not just one, but two specialist trade shows; Exclusively Housewares and Exclusively Electrical.

Together they offer buyers an unrivalled opportunity to catch up with, review and plan ahead with all the key sector players in one visit. It's a great event to build on retail relationships, order ahead for Christmas and into next season.

This year the shows are introducing a new feature; 'Tomorrow's Kitchen', which, supported by trend displays, product demonstrations and a forward-thinking seminar programme, will address the question of how and what we'll be using in our kitchens in the years ahead.

In addition, the guided 'Trend Tours' of the shows introduced last year, conducted by trend forecasters Scarlet Opus, and sponsored by BHETA, will be running again this year. We can accommodate single company team briefings if requested - do get in touch with the shows' press officer via vanessafortnam@exclusivelyhousewares.co.uk if you think your team would be interested!

The Exclusively shows also provide opportunities to sit down with colleagues to enjoy free refreshments

throughout the day, including a tasty lunch. In addition, all visitors are offered a free cloakroom service and a free copy of the shows' catalogue.

So, we are confident that if you buy, or are interested in buying, housewares and small kitchen appliances, a visit to our two Exclusively shows at the Business Design Centre this June will prove to be time well spent - and you'll be in good company!

**The dates for your diary are
13 and 14 June 2017.**

**We look forward to welcoming
you to the show**

Together the two Exclusively shows offer buyers a unique opportunity to see and meet up with the very best suppliers in the housewares, tableware and small appliances market.
